## Top 13 things I love about my Model S

1. Most innovative company ever: technology, service, sales, supercharging...
2. Never having to buy gas – start every morning with a full “tank of electrons” good for 250 miles (for <\$10)
3. Regen - easy passing & Single pedal driving
4. Acceleration and handling
5. 17” touchscreen (big screen Waze!)
6. The iPhone app (remote heating/AC, charging, etc.)
7. Quiet ride
8. The frunk
9. No tailpipe, no toxic fumes
10. Free supercharging
11. Getting OTA software upgrades (hill hold, navigation, valet mode, etc.)
12. The door handles
