This roadster looks the best out of all the ones I have come across. Very nice!

I see the soft top rolled up in its storage bag, but what about any charging equipment or adaptors that will be included with the sale?

Stunning [@dcrysal!](#)

Gorgeous combo with that killer CCCF hardtop🤓 . It's the highest sticker priced (\$147,945) 1.5 car that I've seen, lots of extras on it. Bid price is already factoring it in.....

I'm waiting for \$69,420 bid. Tempting.
