Description

Where it all started for Tesla. 1 of only 2,500 Roadsters that were produced. They're rare enough that not many Tesla fans will have an opportunity to get up close and personal with one. The original Roadster is an amazing car with clever engineering including some that foreshadowed the future of Tesla's technology. Pfaff Reserve Vancouver is proud to have for sale this iconic electric sports car in classic black with red interior. Please give us a call at Pfaff Reserve Vancouver at (604) 731-9332 for more details.
