

FIRST

- Make sure VIN matches paperwork
- Correct color & options
- Tesla license plate frame & front license plate mount
- Universal Mobile Connector (UMC) cable with the included standard adapters (NEMA 5-15, J1772) and the carry bag
- Latest software version installed

EXTERIOR

PAINT & WHEELS

- Surfaces and underside is free of scuffs, marks, abrasions, or smudges
 - Look for deep scratches
 - Minor scratches from transport will be visible but can be buffed out
- Wheels free of scrapes from truck unloading/loading
- All 4 valve stem covers on tires

PANELS

- All panels are aligned & flush, no huge gaps or misalignments (crooked hood)
- Frunk gap/sag, makes sure its no more than 4mm
- Doors, hood, trunk all open and close properly
- Front and rear lights are flush with hood/trunk/panels
- Front/Rear lights are free of condensation
- Glass roof panels are aligned and show no sign of potential leaks

ELECTRONICS

- Both key cards work on the B-pillar
- Fob works (For S and X)
- Phone Bluetooth connectivity as primary key works
- All phone app functions work (unlocking, preconditioning, etc.)
- All front & rear lights work (emergency, turn signals, brakes, hi-beams/fog, up/down adjustment from touch screen)
- Side mirrors make minimal noise when shifting from state to state
- Charge port door sits flush and moves freely, opens consistently (Don't manually push the charger port down!!)
- Each of the Mobile Connector adapters charge, latch and unlatch without problems
- Make sure supercharging works

- ❑ Make sure windshield wipers work and look for alignment issues

INTERIOR

MATERIALS

- ❑ Surfaces and underside are free of scuffs, marks, abrasions, or smudges
- ❑ Check the windshield and windows for ripples in the glass
- ❑ Interior liner is properly sealed & not “hanging”, no scuff marks
- ❑ Paint in the door and body gap
- ❑ All floor mats are present for long range models and up
- ❑ Seat tears or smudges
- ❑ Back seats are aligned

ELECTRONICS

- ❑ All windows go up/down without noise or issues
- ❑ Make sure AC/Heat works at full power without strange noises
- ❑ All interior button functionality works, especially dome lights & emergency
- ❑ Both front door emergency handles work
- ❑ Both front seats don't squeak when moving (check all directions of motion) OR folding (for rear)
- ❑ All interior lights present & working (especially footwells, puddle lights, dome, etc.)
- ❑ Front console has both phone cables
- ❑ All 4 USB outlets & 12 volt DC receptacle have power
- ❑ Rear backup camera and side cameras clear & working
- ❑ Music streaming & phone streaming work, radio reception is good
- ❑ Voice control works
- ❑ Microphone picks up good audio (call a friend with the dialer)
- ❑ All speakers emit sound, no audio “clipping”
 - ❑ 2 tweeter speaker on the doors (by the rearview mirrors)
 - ❑ 2 mid range speaker above in the front
 - ❑ 2 bass speakers on the bottom of the front doors
 - ❑ 2 mid speakers on the back doors
 - ❑ 2 mid speakers on the top of the trunk subwoofer inside the trunk, right side
