Subject: Clean Air Vehicle Decal Program Changes

To Whom It May Concern:

Our records indicate that the vehicle listed above is registered to you and is participating in California's clean air vehicle (CAV) decal program. Recent legislation has changed the CAV decal program and we want to ensure you are aware of the upcoming changes.

Pursuant to California law, all green and white CAV decals expire on January 1, 2019. New legislation allows eligible vehicles issued green or white CAV decals on or after January 1, 2017, to participate in the new CAV decal program. The new CAV decal is red, and expires on January 1, 2022.

We have identified the vehicle listed above as one that may qualify for the new red CAV decal. If you still own the vehicle and wish to apply for the new red CAV decal, please:

- Review the pre-printed *Application for Clean Air Vehicle Decal* (REG 1000) form, printed on the back of this letter, for accuracy.
- Complete and sign the application and return it in the enclosed envelope with the \$22 CAV decal fee, in the form of a check or money order, made payable to the Department of Motor Vehicles.

Please return the *Application for Clean Air Vehicle Decal* (REG 1000) at your earliest convenience to ensure it can be reviewed and processed before your white or green decals expire.

For additional information on the CAV decal program, or if you need a new *Application for Clean Air Vehicle Decal* (REG 1000) form visit <https://www.dmv.ca.gov/portal/dmv/detail/vr/decal> or call 1-800-777-0133.

Sincerely,

REGISTRATION OPERATIONS DIVISION  
Department of Motor Vehicles
