

OSCAR & HAMISH

MADE IN ENGLAND

PAPER CRAFT CYBERTRUCK
Paper Craft engineering by Oscar & Hamish
www.oscarandhamish.com
Tailored luggage for your Tesla - Hand Made in England
Cybertruck is a registered design and trademark Tesla Motors

Notes: T = Tab use paper glue stick and fit to back of adjacent part.
Please supervise children (and some adults) if they are using scissors and adhesive

Best results when printed on heavy A4 paper or light card - for extra detail lightly score on body panels before final assembly
Please use recycled paper stock and recycle any unused parts.
Drawings produced from multiple photos we took at the Cyber truck launch event and designs and details may have been
have been adjusted to ease paper model assembly. Please do not let Franz anywhere near the finished paper model.
