

(Host/Location: [Tesla Motors of Devon](#), 470 East Lancaster Avenue, Devon, PA 19333)

## **Largest Electric Vehicle and Sustainable Living Education event in the region!**

- Ride 'n' Drive all the latest Electric Vehicles (Cars, Motorcycles, Bikes, etc)
- See BMW, Porsche, McLaren, Fisker & Tesla Motors' Supercars, plus...

- Electric Vehicles from Ford, General Motors, Toyota, Mitsubishi, Brammo and others.
- Electric cars offer superior performance, safety, ride, & economy over gas cars!
- Up to 10X cheaper to operate than gasoline cars and much gentler on the planet.
- Hear from Political, Energy, and Environmental Speakers including:
  - Dr. Manan Trivedi (PA District 6 Congressional candidate),
  - Katie McGinty (former Sec. PA Dept. Environmental Protection)
  - Diane Philips (St. Joe's Univ., Global Climate Change Leader),
  - Joe Minott (Exec. Dir Clean Air Council), Dick Johnson (V2G)
  - Bill Brainerd (Sierra Club), Will Nicholas (Tesla Motors)

- Learn the SCIENCE behind global climate change, the implications of fracking, the benefits of sustainable living and renewable energy, and more
- Enjoy tasty food from [Whole Foods Market](#)® of Devon & Wynnewood

*Free to all. Search “[National Drive Electric Week Devon](#)” for details and to register.*
