Dear William,

Thank you for taking the time to consider the AARP Auto Insurance Program from The Hartford for your insurance needs.

For the Program to maintain competitive prices and to offer quality protection, we've established eligibility requirements. Regretfully, we are unable to provide you with coverage at this time. We came to the decision because certain vehicles, like your 2020 Tesla Model 3, are either more susceptible to damage or are more expensive to repair than others.

It is important to us that you find the right coverage and rates. Please consider contacting another carrier for your insurance needs.

Sincerely,

Susan L. Castaneda
