The Premises are located on the property commonly known as Ridgefield City Park & Ride, located at 45.817702, -122.682862 (the "**Property**").

3. **FOOTPRINT:** A total of twelve (12) parking spaces shall be outfitted with Superchargers (as defined in Exhibit B) to serve as dedicated charging stalls ("**Dedicated Stalls**").

4. **UNIVERSAL STALL:** Parking spaces on the Premises shall not be outfitted with non-Tesla charging equipment while this Agreement is in effect; however, Tesla agrees to provide and install, at Tesla's sole cost and expense, two (2) Tesla-branded J1772 Level 2 chargers for use by compatible electric vehicles ("**Level 2 EVSE**") at the location indicated on Exhibit A (the "**Universal Stalls**"). Counterparty hereby grants a license to Tesla to access area to install the Level 2 EVSE.

5. **CONSTRUCTION AND ALTERATIONS:** Tesla shall, at its' sole cost, make alterations to the Premises and construct the Supercharger Station ("**Tesla's Work**"). Tesla acknowledges that Tesla's Work shall only begin after: (a) Counterparty has approved the plans and specifications, including equipment locations (the "**Approved Plans**"); and (b) Tesla has obtained all permits and approvals required by applicable governing bodies. Any alterations to the Approved Plans or Supercharger Station shall be approved in advance by Counterparty. Counterparty's approval of the plans and specifications, and of any alterations to the Approved Plans or Supercharger Station, may be by e-mail and shall not be unreasonably withheld, conditioned or delayed. Tesla shall promptly repair any damage to the Property caused by Tesla, its agents, contractors and employees while performing Tesla's Work.
6. **POSSESSION DATE:** The first date that Tesla may enter the Premises and Property to begin Tesla's Work is March 1, 2023 (the "**Possession Date**").
7. **DUE DILIGENCE PERIOD:** Tesla shall have the option to terminate this Agreement within three hundred sixty-five (365) days following the Effective Date ("**Due Diligence Period**") in the event that: (a) Tesla is unable to obtain all permits and approvals required by applicable governing bodies; (b) Tesla, in its reasonable business judgment, would incur substantial costs to bring utility services to the Premises or incur other unanticipated costs to construct the Supercharger Station; or (c) the environmental reports obtained by Tesla or delivered to Tesla from Counterparty, if any, reveal environmental contamination at the Property. In the event that Tesla terminates the Agreement pursuant to this Section 7, Tesla shall deliver written notice of termination to Counterparty and this Agreement shall be of no further force or effect.
8. **COMMENCEMENT DATE:** Tesla shall open the Supercharger Station to the public (the "**Commencement Date**") within three hundred and sixty-five (365) days following the Possession Date, provided that such time shall be extended to the extent a delay is due to permitting, utility, or other requirements beyond Tesla's control, or is due to Force Majeure (as defined in Section 33). Tesla shall deliver written notice to Counterparty promptly following the Commencement Date to confirm such date for recordkeeping purposes.
9. **TERM:** The initial term of this Agreement shall begin on the Commencement Date and shall expire five (5) years from the last day of the month in which the Commencement Date occurs (the "**Initial Term**"). Tesla shall have two (2) options to extend the term of this Agreement for an additional five (5) years each (each a "**Renewal Term**" and together with the Initial Term, the "**Term**"), upon the same terms contained in this Agreement, provided that no Event of Default (as defined in Section 18) by Tesla exists at the time of extension. Tesla shall exercise the option for each Renewal Term by giving notice to Counterparty no later than thirty (30) days prior to the expiration of the Initial Term or Renewal Term, as applicable.
10. **REMOVAL:** Tesla shall, at its' sole cost, remove the Trade Fixtures (as defined in Exhibit B) promptly following termination of this Agreement and restore the Premises to a condition commensurate with the rest of the Property, subject to exceptions for reasonable wear and tear and damage by casualty or condemnation. Counterparty agrees that all Trade Fixtures and related intellectual property are and shall remain the personal property of Tesla. The Infrastructure (as defined in Exhibit B) shall be left in a safe condition and shall become the property of Counterparty upon termination of this Agreement (except for Infrastructure that is upstream of the meter, which is and shall remain the property of the utility).

11. **UTILITIES:** Tesla agrees to arrange and pay the charges for all Tesla-related utility services provided or used in or at the Premises during the Term. Tesla shall pay directly to the utility company the cost of installation of any and all such Tesla-related utility service charges, and any assessed utility taxes or fees and shall arrange to have the utility service separately metered. Counterparty shall not be responsible for any damages suffered by Tesla in connection with the quality, quantity or interruption of utility service, unless the cause of the disruption or damage was Counterparty's gross negligence or intentional misconduct. Counterparty shall arrange and pay the charges for all Universal Stall-related utility services provided or used at the Universal Stalls and shall arrange to have the utility service at the Universal Stalls separately metered.
12. **USE:** Tesla shall use and occupy the Premises during the Term to install, operate and maintain a Supercharger Station and for incidental purposes, which may include generating photovoltaic electricity and operating an energy storage system, and for any other related use ("**Permitted Use**"). Tesla is authorized to operate and collect payment for use of the Supercharger Station year round, twenty-four (24) hours per day and seven (7) days per week.
13. **MAINTENANCE:** Tesla shall be responsible for maintaining the Supercharger Station (including repair and replacement of equipment, as necessary) at its' sole cost, and Counterparty shall have no liability for damage to the Supercharger Station unless caused by Counterparty's negligence or intentional misconduct. Notwithstanding the foregoing, Counterparty's normal responsibility to maintain the common areas of the Property shall also apply to the Premises, such as for trash removal, snow removal, repaving and restriping, and Counterparty agrees to coordinate such maintenance with Tesla pursuant to Section 14. If Tesla determines that additional trash cans are needed in the Premises, Tesla will notify Counterparty and Counterparty shall promptly install such trash cans at Counterparty's sole cost.
14. **TEMPORARY IMPAIRMENT:** Tesla agrees that Counterparty shall have the right to temporarily access and/or temporarily restrict access to a portion of the Premises to perform routine parking lot maintenance, provided that Counterparty shall use commercially reasonable efforts to minimize any impairment of the Premises, including, without limitation, by limiting such impairment to times of day and days of the week that are not busy charging periods, and (c) except in the case of snow removal, garbage collection or an emergency, Counterparty shall provide Tesla at least thirty (30) days advance written notice stating the date, time, duration and scope of the planned impairment.
15. **COUNTERPARTY COVENANTS:** Counterparty represents that: (a) it is the owner of the Property and has the power and authority to enter into this Agreement on the terms hereof; (b) it has obtained any required consents to enter into this Agreement; (c) the Property is subject to no conditions, restrictions or covenants incompatible with the Permitted Use; and (d) this Agreement does not violate any agreement, lease or other commitment by which Counterparty is bound. Counterparty shall not take any action that would impair or interrupt the use of the Premises or Supercharger Station, except as permitted in Section 14. Counterparty agrees to notify Tesla within a commercially reasonable time if (x) it has knowledge of third-parties impairing or misusing the Supercharger Station, or (y) it obtains knowledge of a needed repair to the Supercharger Station. If non-Tesla motorists repeatedly park in the Dedicated Stalls, thereby impairing use of the Dedicated Stalls, then the Parties shall reasonably cooperate to allow Tesla to implement an appropriate and effective strategy for preventing such impairment at Tesla's sole cost, which may include, without limitation, alternative signage and painted asphalt.

16. **PAYMENTS TO COUNTERPARTY:** Other than parking fees charged to all users of the Property<sup>1</sup>, Counterparty shall have no right to request or accept payment from Tesla, users of the Supercharger Station or any other third-parties in connection with the Supercharger Station.
17. **SIGNAGE:** Subject to applicable Laws (as defined in Section 35), Tesla shall install signage for the Dedicated Stalls substantially similar to the signage represented in Exhibit B ("**Signage**"). Any material revisions or additions to the Signage shall be subject to Counterparty approval, which shall not be unreasonably withheld, conditioned or delayed.
18. **DEFAULT:** Each of the following shall constitute an "**Event of Default**" under this Agreement:
- A. **Breach:** The failure by either Party to perform or observe any material term or condition of this Agreement and such failure continues for a period of thirty (30) days after receipt of written notice thereof from the other Party, provided, however, that if the nature of such default is such that it cannot reasonably be cured within such thirty (30) day period and the defaulting Party commences to cure within the thirty (30) day period and proceeds with diligence and continuity, then such Party shall have additional time to cure as is reasonably required.
- B. **Bankruptcy; Insolvency:** The appointment of a receiver or trustee to take possession of all or substantially all of the assets of Tesla located at the Premises if possession is not restored to Tesla within sixty (60) days; or a general assignment by Tesla for the benefit of creditors; or any action or proceeding is commenced by or against Tesla under any insolvency or bankruptcy act, or under any other statute or regulation having as its purpose the protection of creditors and, in the case of actions filed against Tesla, is not discharged within sixty (60) days.
19. **REMEDIES:** Counterparty and Tesla acknowledge and agree that each Party shall have all remedies available at law or in equity if an Event of Default by the other Party has occurred and is continuing. In addition, if an Event of Default by Tesla has occurred and is continuing, then Counterparty, may: (a) continue this Agreement in effect by not terminating Tesla's right to possession of said Premises and thereby be entitled to enforce all Counterparty's rights and remedies under this Agreement; or (b) terminate this Agreement, provided that Counterparty shall send Tesla a 2<sup>nd</sup> written notice prior to terminating this Agreement and if Tesla fails to commence to cure the Event of Default within fifteen (15) days of the 2<sup>nd</sup> written notice, then Counterparty may terminate the Agreement and Tesla shall remove all Trade Fixtures within forty-five (45) days following such termination; or (c) bring an action to recover and regain possession of said Premises in the manner provided by the laws of eviction of the state where the Premises are located then in effect.
20. **EXCLUSIONS:** Notwithstanding anything herein to the contrary, each Party expressly releases the other from any claims for, speculative, indirect, consequential or punitive damages, including any lost sales or profits of the other Party.
21. **ASSIGNMENT:** Tesla shall not assign this Agreement voluntarily or by operation of law, or any right hereunder, nor sublet the Premises or any part thereof, without the prior written consent of Counterparty, which shall not be unreasonably withheld, conditioned or delayed; provided that

the foregoing prohibition shall not limit Tesla's ability to transfer this Agreement to a Tesla Affiliate. "**Affiliate**" of a Party is an entity that controls, is controlled by or is under common control with that Party, where "control" means possessing, directly or indirectly, the power to direct or cause the direction of the management, policies or operations of an entity, through ownership of voting securities, by contract or otherwise.

22. **INDEMNIFICATION:**

A. Counterparty: Except to the extent a claim arises from any negligence or willful misconduct of a Counterparty Indemnified Party, Tesla hereby agrees to indemnify, hold harmless and defend Counterparty, its Affiliates and their respective directors, officers, managers, members, employees, agents and representatives (each a "**Counterparty Indemnified Party**") from all losses and liabilities, including court costs and reasonable attorneys' fees, on account of or arising out of or alleged to have arisen out of any third party claim directly related to: (i) Tesla's use of the Premises; (ii) Tesla's breach of this Agreement; or (iii) bodily injury or damage to real or tangible personal property caused by the use of the Trade Fixtures.

B. Tesla: Except to the extent a claim arises from any negligence or willful misconduct of a Tesla Indemnified Party, Counterparty hereby agrees to indemnify, hold harmless and defend Tesla, its Affiliates and their respective directors, officers, managers, members, employees, agents and representatives (each a "**Tesla Indemnified Party**") from all losses and liabilities, including court costs and reasonable attorneys' fees, on account of or arising out of or alleged to have arisen out of any third party claim directly related to: (i) Counterparty's entry onto the Premises; or (ii) Counterparty's breach of this Agreement.

23. **LIENS:** Tesla shall promptly remove or bond any liens placed on the Property as a result of any claims for labor or materials furnished to Tesla at the Premises.

24. **DESTRUCTION:** Any total destruction of the Premises shall, at Counterparty's or Tesla's written election within thirty (30) days of such destruction, terminate this Agreement.

25. **INSURANCE:** During the Term, Tesla shall maintain commercial general liability insurance with limits of not less than Two Million Five Hundred Thousand dollars (\$2,500,000) per occurrence and Four Million dollars (\$4,000,000) aggregate for combined single limit for bodily injury or third party property damage. The total limits above may be met by any combination of primary and excess liability insurance. A certificate evidencing such insurance shall be delivered to Counterparty upon the execution of this Agreement and upon reasonable request by Counterparty. Tesla shall include Counterparty as additional insured on its commercial general liability and, if applicable to meet limit requirements, umbrella and/or excess insurance policies, with respect to liability under this Agreement. Tesla will maintain worker's compensation insurance in accordance with state and federal law. This requirement may be waived if Tesla is a qualified self-insured in the state where premises are located. Insurance shall be maintained with responsible insurance carriers with a Best Insurance Reports rating of "A-" or better or through a formal self-insurance mechanism that has either (a) a Best Insurance Reports rating of "A-" or better; or (b) a financial size category of "VI" or higher, provided, that if such self-insurance program does not meet either (a) or (b), then Tesla's use of self-insurance for the coverages herein

shall be subject to Counterparty's approval, not to be unreasonably withheld, conditioned, or delayed.

26. **CONFIDENTIALITY AND PUBLICITY:**

- A. **Confidentiality:** Tesla and Counterparty agree that the terms of this Agreement and any non-public, confidential or proprietary information or documentation provided to one Party by the other Party in connection with this Agreement are confidential information, and the Parties agree not to disclose such confidential information to any person or entity during the Term and for a period of three (3) years thereafter.
- B. **Permitted Disclosures:** Notwithstanding the foregoing, the Parties may disclose information (i) to their respective Affiliates, subcontractors, lenders, employees, financial, legal and space planning consultants, in each case that have a "need to know" such confidential information and have committed to treat the information as confidential under terms no less protective than the terms of this Section 26, provided that the Party disclosing such confidential information shall be liable for any disclosure by such authorized recipients and (ii) as required by law, including any Washington state public records requirements; provided that if Counterparty receives such a request, then Counterparty shall promptly notify Tesla to allow Tesla to seek a protective order or other appropriate remedy before the Agreement is released.
- C. **Publicity:** Neither Party will use the other Party's name, trademark or logo without obtaining the other Party's prior written consent.

27. **ENVIRONMENTAL MATTERS:**
