8:30am Get on the Pacific Motorway to drive to The Farm

9:30am Take the Byron Bay exit from the M1 at Ewingsdale and follow the sign to The Farm off the roundabout. (11 Ewingsdale Road, Ewingsdale NSW)

STATS -

From Hungry Jack's Loganholme to Hungry Jack's Mudgeeraba is 53 km

From Hungry Jack's Mudgeeraba to The Farm is 80 km

One Way Trip is 133 kms (Loganholme to The Farm)

Return trip is 266 kms (Loganholme return)

Some notes about this day:-

What is the purpose of this adventure? The opportunity to drive in convoy with other Teslas to captivate public interest, meet fellow Tesla owners, experience the offerings of "The Farm" and display support for a rumoured Tesla Supercharging Station at this location.

For the Brisbane adventurers make sure you have sufficient charge to cover the 266km round trip + the distance from your home to the Loganholme meeting point.

It's an early start so that we maximise the opportunity to have a pleasant experience at "The Farm". If we arrive around 9:30am people can order breakfast / brunch independently and it won't be peak hour. The Farm gets extremely busy over the weekend and they don't take reservations even for large groups. There are no formal plans for this day except step out of your comfort zone and mingle with strangers who own the same amazing car as you.

The Farm has a bitumen car park but the entrance to this, although short, is unsealed.

It is acknowledged that this event is not perfectly suitable for the Sunshine Coast owners and we will have to make up for this at the following event being held in June at Hinze Dam.

Any questions? Feel free to call or SMS Bernie 0419 410 410
