Overall width	6' 11" / 2100 mm	Tire size	185 R14 C 102 Q
Overall height (closed pop top roof)	7' 5" / 2260 mm	Tongue weight	100 lbs / 45 kg
Internal length	15' 3" / 4660 mm	Floor thickness	2" / 50 mm
Internal width	6' 7" / 2000 mm	Bed size front L x W	71" x 30" / 180 cm x 76 cm
Max. interior height (opened pop top roof)	6' 5" / 1950 mm	Bed size rear L x W	78" x 55" / 198 cm x 140 cm
Curb weight	2,119 lbs / 961 kg	Wardrobe W x D x H	23" x 22" x 43" / 58 cm x 57 cm x 108 cm
Max. payload / cargo carrying capacity	882 lbs / 400 kg	Refrigerator	3-way Dometic
Max. GVWR	3,000 lbs / 1,361 kg	Furnace	Truma – S 3004
Hitch	AL-KO 3004 stabilizer	Warm water supply	Truma-Therme
		Fresh water tank	4.6 U.S. gal. / 30 L
			<i>(Expanded water capacity option – add up to 20 U.S. gal. / 76 L)</i>

# Hymer Touring – 550

## Optimal design

Hymer travel trailers are built to ensure outstanding wall and roof insulation values which helps guarantee pleasant temperatures throughout the camping season. The thermal insulation is equivalent to a 27"/68 cm-thick solid brick wall. The walls and roof are flexible and bonded together tightly, making them resistant to extreme stresses.

Enjoy high insulation values with 1"/30 mm-thick laminated combination welded steel, foam walls and large double-glazed framed windows. And you'll never have cold feet again thanks to the 2"/50 mm-thick styrofoam floor insulation. Hymer travel trailers are noted for their high-performance heating, thanks to the rear ventilation system. The warmth is evenly distributed throughout the interior to create an ideal climate inside the vehicle.
