NEXT STEPS

The value provided is an estimate only and is based on the information provided to Tesla and is not an offer to purchase your vehicle. If any of the information such as model, trim, equipment, or mileage differs than what was provided to Tesla the estimate is void. Once an inspection is completed Tesla will provide a written offer.

TRADE-IN INSPECTION

- If you wish to obtain a written offer, you will need to complete a vehicle inspection.
- Your Owner Advisor or Delivery Specialist will send you a link to complete your inspection or perform the inspection for you at a Tesla location.

CONFIRMED OFFER

- Once an inspection is complete your Owner Advisor or Delivery Specialist will reach out to you to review your final trade-in offer.
- If you accept the trade-in offer we will arrange an appointment to drop off your trade-in vehicle at the nearest Tesla Service Center.
- Confirmed Trade-in Offers are valid for 14 days or 500 miles.

DROP OFF

- Please ensure you have a copy of title, drivers license and registration ready at the time of drop off in order to complete the trade-in and apply the value to your MVPA.
