Seller Comments

It is time to sell 1085. It's been so fun, it will be missed dearly but other plans dictate the sale. This 2010 Lightning Green Roadster Sport 2.0 is ready for it's next driver. It has a salvage title as do many Roadsters that have had minor damage and/or battery issues. 1085 was in a fender bender that resulted in some low voltage wiring repair and carbon fiber work. It drives perfect and the battery is healthy.

It is priced well below market value because I'm very motivated. Serious inquiries are welcome to schedule a viewing, inspection and test drive.

Lowball offers will be deleted with no reply.

Thank you.
